THE WICKEDEST MAN IN AMERICA.

The New Orleans *Picayune* claims for Tennessee, in contra-distinction to New York, the wickedest man in America, in the person of its estimable Governor. The following extract from that paper certainly rivals all the sensational stories in regard to the famous, or rather *infamous*, Allen, of Water street notoriety:

"The New York papers have been of late somewhat boastful of a character named Allen, who, having been ferreted out by an enterprising reporter for the press, and the fact of his uncommon career brought to light, has received the title of the "wickedest man in New York." We accord to the great city unusual advantage in this peculiar line; but while cheerfully admitting Allen's well-earned honors, we believe that we can point out to those interested in such matters, and in rural districts, far away in the mountain region of Tennessee, one who, in the game of wickedness, in its fullest and complete development of thought and action, can beat the New Yorker and give him five points in the game. Should the reader be incredulous, we offer ourselves as his guide in the pursuit of knowledge.

Suppose yourself translated from where you now are to the mountainous region of East Tennessee, and walking eastward from the centre of the town, along a narrow, hilly street in Knoxville, you will soon cross a bridge spanning a brawling stream; and ascending a somewhat precipitous slope, you will perceive an old-fashioned frame house on your left. Mount two or three steps, knock at the door, and when it shall be thrown open ask to see the Governor.—You will be shown into a chamber, and upon a bed or lounge you will perceive a shrivelled human form, spare to almost extreme attenuation, the legs drawn up close to the body, the long, bony arms stretched forth to rest upon the knees, and the brown, skinny fingers formed into a triangle above them. The entire frame is shaking with palsy; the small, eager eyes peering from under heavy brows, and the breath coming with a wheezing, hollow, asthmatic sound up through the throat. This form is that of William G. Brownlow, the present autocrat of Tennessee, and, according to our firm belief, the wickedest man on the continent of America, and, as we also think, a man without a peer in depravity, even in the worst departments of the French bagnes at Brest or Toulon, or the convict settlements for the worst criminals in the English establishment of Norfolk Island.

Some people believe that Brownlow, from having so long indulged his mind in dwelling upon his political manias, has become insane. This excuse for hellish cruelty and wanton acts of despotism has been offered for Caligula by some historians. We are not of his opinion; we believe that he is innately brutal, savage, hypocritical, vindictive, and perversely wicked. If mad, there's method in his madness. He gloats with a devilish delight upon the scenes to be enacted under his policy. He has no sympathy with the good and true, but clings lovingly to the bad and the false.

From his chamber he sends forth his heartless edicts of ruin to all who stand in opposition to his schemes of power. He prays hypocritically at one moment, and the next coughs up imprecations, threatenings, and vengeance against the best people in the State. He is said to have the congenital mark of a snake upon his body; and it may well be, that like Holmes' unfortunate heroine, Elsie Venner, he came into the world with his human tainted by a mixture of the serpent nature. He certainly looks like a snake, with his livid, leaden hued cheeks, and his small, piercing eyes. This fact, if true, may account for his malignant, devilish conduct. For deliberate, fiendish, unrelenting wickedness, we think that present and future historians will pronounce him first among his peers, before whom the New York man will shrink into comparative innocence. He boasts of having organized hell in Tennessee, and if so, no one ought to dispute his claims to the first place in his newly established earthly pandemonium."

The South and the Presidential Election—Arms for the Negroes—Object of the September Session—Political News.

WASHINGTON, Aug. 28.

Major General Howard has for some time been upon a tour in the Southern States, looking into the operations of the Freedmen's Bureau down there, and upon his return the radical carpet-baggers affect to believe that such a report will be made of the condition of affairs in the South as will certainly secure a September session of Congress. Certain parties here profess to have already received such information from General Howard as will tend to show a "horrible condition of things" in the South; but after inquiry in quarters most likely to be informed, it is ascertained that no report has yet been received. Whatever, therefore, is said upon that subject at this time is manufactured out of the whole cloth. It is beginning to leak out that what the carpet-baggers now want is that Congress shall, before the elections, enact some law placing arms in the hands of the colored people, contending that they will need them for self-protection. The order-loving Southerners of both parties deny that the negroes need these arms for protection, and the only effect of their distribution will be to stir up strife and ill-feeling, with the inevitable result of bloodshed.

Hon. Nathaniel Boyden, a representative from North Carolina, ought to be good authority upon this subject, even with the radicals, for although he was elected to Congress as a Conservative, the radicals have recently claimed him as a convert to the support of Grant and Colfax. He utterly repudiates the idea that the negroes require arms for self-protection. In the last days of the last session of Congress, when this subject of arming this class was under consideration in the House, Mr. Dewecse, of Ohio, but temporarily a carpet-bag representative from North Carolina, made a speech advocating a distribution of the arms. He was replied to by Mr. Boyden, a native of the State, who perfectly understood the negro element and negro character and utterly demolished Mr. Dewese's logic.

The bill failed in the House, for Mr. Boyden's arguments had the desired effect upon the Conservative Republicans. He demonstrated clearly that the result would be strife and disorder, and not peace. The arguments used upon that occasion are as good now as they were then, and the moderate men of the Republican party, who, in their hearts, despise the "carpet-baggers," in consequence of the exhibition they made of themselves the short time they were upon the floor of Congress, will not be convinced by such men as Dewese and Hamilton, of Florida, especially when the views of the latter are disproved by the clear statements of Mr. Boyden and others who know the needs of the South better. The "carpet-baggers" must therefore advance some better reason than the necessity for a distribution of arms, before they can persuade thinking Republicans that a September session of Congress is necessary on that ground.

The whole matter of calling Congress together again was committed to Senator Morgan and Gen. Schenck, and unless notice is given by them it is doubtful whether the appeals of the carpet baggers will get enough members here to constitute a quorum in either House. Furthermore, it was clearly understood when Congress adjourned that the September session was provided for solely for the purpose of heading off President Johnson in the event of his taking any step not deemed proper in Radical eyes; and it was intimated by Speaker Colfax himself after the adjournment, and just before he took the cars for the West, that there would be no session unless Mr. Johnson pursued a line of policy which might be deemed inimical to the country, or the Radical party. The question of further action in relation to reconstruction was not taken into the account, but as Mr. Johnson does not seem disposed to do anything which would give Congress an excuse for re-assembling, the carpet-baggers play their best card, which is alleged and imaginary disturbances in the South.

Letters from the West, received here within the past forty-eight hours, contain cheering intelligence for the friends of Seymour and Blair. In Ohio, Indiana, Illinois and Missouri, especially, the Conservatives are thoroughly organized in every city, town and township, and are working with the earnestness of men who seem determined not to suffer defeat. One letter from Southern Illinois says the meetings held there have been all largely attended, and great enthusiasm has been manifested everywhere. The converts from the Republican party are numerous, and the democrats confidently claim the Southern district, now represented by Mr. Raum. In Missouri the Democrats are making a strong fight, and the State is positively claimed for the Democratic ticket throughout.

COLUMBIAN COLLEGE,

WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre would foster a comprehensive mental development.

The Preparatory school gives a thorough training for business, and preparation for Colleges. The College proper has eight efficient Professors; all the Chairs being filled. The Theological school has three Professors and Lecturers; the Law school four, and the Medical ten. The expenses are as low as at other Colleges—Number of students the past year, 454. VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 23 Years I was sorely afflicted with the **Piles.** After trying every remedy I could hear of, and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage. (fifteen cents.) As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

THE RADICAL, THE WAR PARTY.

We desire again to call the attention of the public to the leading editorial in the *Standard*, of the 26th. ult., under the caption of "RETALIATION." The purport of the article is, to impress the idea that the colored race, having "been enslaved for about two hundred years," should now *retaliate* upon those who held them in bondage, and who *own the property*,—that it is not to be supposed that men, women and children will starve to death, *while corn is still standing in the field and while hogs and cattle are not kept under lock and key.*" The writer of this editorial then proceeds to argue that the *individual* cannot successfully *retaliate*, but this power is now transferred to the State, whose duty it is to execute the Jewish law—"an eye for an eye and a tooth for a tooth." The question is then asked: "*Is there no remedy under the forms of law?*" The *Standard* answers the question, by saying, "The remedy is this:

"Whenever the Republicans have control of a county, let a meeting of the Commissioners be called at once. Let them make out a list of all the colored stonemasons, bricklayers, plasterers and carpenters of sufficient dimensions for a village of from five to fifteen hundred colored paupers as the case may be. The work itself will give employment to a considerable number of persons and some time will be required to complete it. Then let the County paupers be moved in and be provided with houses and food at the expense of those who have made them paupers. Let the tax be so laid as to affect only the large land holder. Not one in twenty owns any land at all, and the large land-holders are much rarer. This tax will fall lightly upon the great mass of the people, while the oppressive landholders will be compelled to throw his broad acres upon the market to raise money to pay the taxes. And in addition to this, let the Legislature deprive these exacting tyrants of the benefits of the stay law and compel them to pay their debts. Pass their lands under the Sheriff's hammer and give the poor a chance to buy land."

We look upon the propositions contained in the above extract, as embodying the most disgraceful sentiments which have come from this mischievous party. Yes, "is there no remedy, under the *forms of law*," to *degrade, oppress and humiliate* the people of North Carolina? Is there no mode of resorting to the barbarous exactings of the *lex talionis*, under the *forms of law?* Is there no way to authorize the colored race to *divide out and locate the lands and corn crops* of the honest farmers of North Carolina, under the *forms of law?* Yes, let their lands pass under the Sheriff's hammer—let everybody have lands—let those who *own lands* be deprived of the benefit of the stay laws—let the black race execute vengeance upon the white man, for they have been enslaved these two hundred years—let *war, bloodshed and intestine strife* begin—all, all, under the solemn *"forms of law!"*

Fellow-citizens of North Carolina! Look at this monstrous proposition, coming from the *fountain head* of this turbid stream of devastating Radicalism. In the counties where the Radicals have the power, the Commissioners shall cause the building of *villages*, to contain five or fifteen hundred pauper negroes! They are to be moved to this *village* and *supported* by *direct taxation* on the people of the County—the landholders! Their lands are to "pass under the Sheriff's hammer," that these *paupers* may buy land!

Who ever heard of such a villainous proposition? All this, too, because the black race has been enslaved; and because the *white men* of the State will not fall down and worship the Huge Idol of Radicalism. Was there ever known such an attempt to pander to the low prejudices of an ignorant populace, *for party purposes!* Are we to have repeated, in the 19th. century, the barbarous usages of the dark ages? Are we to have a repetition of the scenes of the Norman Conquest, by which the Saxons were driven from their homes, to give place to the hordes of hungry adventurers, who laid waste the country? Are North Carolinians to be driven from their old homesteads, sacred with the recollections of family ties, and their places filled by a hungry pack of usurpers and interlopers? Are these thousands of citizens, recently clothed with political power, to be converted into *paupers*; placed in costly built *villages* throughout the State, and sustained by the most *oppressive system of taxation?* Such is the avowed policy.

We would ask, was this the policy of this revolutionary party in destroying the old County Court system, that these Commissioners might become the pliant instruments through which to effect the degradation and ruin of the land holders, who *refuse* to co-operate in the fiendish designs of this party?

Were all the legislative changes and innovations of this party, both in Congress and in the States, for the purpose of promoting the nefarious schemes of this party, *"under the forms of law?"* Shall these hypocrites and conspirators be allowed to thus use the "livery of heaven, with which to serve the devil," and go down to posterity, without the scorn and contempt of an enlightened public opinion?

Will not an *independent people* loathe such a party with unutterable contempt? Will they not come to the rescue of *dear-bought Carolinians*, by an enthusiastic rally at the ballot box; and thereby hurl from power these bad and small men, who now attempt to swell themselves into "giants?"

We want no war—we want PEACE AND QUIETUDE—we brand with falsehood the charges, daily made, that "we mean war." We scowl upon this "stop thief" cry of war, which is heard from the Radical party, as a base subterfuge, almost unworthy of notice. *No, we appeal to public opinion* for a vindication of our rights, and not to the "terrible ordeal of war." We pray for peace, with all its blessings—but not the peace that comes through bristling bayonets and desolated homes. The experience of *three years* has shown the impossibility of *peace*, through Radical rule. Let us then drive them from power by the *united voice of the people.*

COUNTY CONVENTION OF GRANVILLE.—At a Convention held by the people of Granville, in Oxford,

After the conclusion of much other business, and in obedience to a motion to that effect, the following gentlemen were appointed delegates to the District Convention, to be held at Franklinton, Sept. 10th, 1868, to nominate an Elector and a candidate for Congress, (a grand mass meeting is called to meet in Oxford, Sept. 8, at which time other delegates will probably be appointed,) viz: Maj. J. F. Harris, W. H. Jenkins, T. R. Venable, E. H. Lyon, R. G. Russell, Jas. T. Littlejohn, Robert M. Furman, Dr. P. P. Peace, Captain T. B. Lyon, Geo. W. Watkins, Col. S. S. Royster, James S. Amis, W. Hamilton Young, Dr. Wm. T. Cheatham, John Crudup, Baldy Capehart, R. A. Jenkins, Chas. H. K. Taylor, John Connady, Isaac H. Davis, Peterson Thorpe, Jr.,

Old Granville is thoroughly aroused, and while but little hopes can be entertained of actually carrying the County for Seymour and Blair, owing to her negro population, yet she will give a much more favorable account of herself in the coming election, true to her self, and will leave nothing undone, by which they can possibly attain the object so greatly desired.

MACON COUNTY.—A large Seymour and Blair Mass Meeting and Barbecue will come off at Franklin, Macon Co., on the 5th.—Gen. Wade Hampton, and other distinguished speakers, will be present.

This is the first of a series of Barbecues in the 43d District. A correspondent writes us that the people in the trans montane country are jubilant and will devote time, talent and money to secure success.

Dr. W. L. *Love*, the excellent Senator from this District, is energetically at work and doing good service. John Post will have a "lively time," when he gets to that county.

SEYMOUR AND BLAIR MEETING.—A grand turn out of the people, at Leach's Mineral Springs, Randolph County, was held on the 27th ult.

Jas. A. Leach, Esq., explained the object of the meeting in a very appropriate manner. The meeting was then very ably and eloquently addressed by the Hon. J. M. Leach, in a speech that will do great good in Randolph.

A Club was started, which will embrace very nearly every white man in the north-western part of Randolph.

REMEMBER that a Registration of voters takes place in October, and that every man, in order to vote, *must register. Every* citizen of the State, 21 years of age and upwards, who was born in the United States, or who has been naturalized, and who shall have been a resident of the State for twelve months preceding the election, and thirty days in the county, in which he offers to vote, is entitled to register and then vote.

THE NEW YORK *Herald* of the 31st. says: "The Presidential and Congressional elections will determine whether we are to have negro supremacy and anarchy in the South, or a white man's government and peace."

QUESTIONS FOR RADICALS.—If reconstruction is a success, why isn't the army withdrawn?

If the Radicals want peace, why did they propose to arm the negroes?

If the Radicals mean equal rights, why do they advocate one currency for capital and another for labor?

If the negroes can vote for themselves, why pay the bureau to teach them?

If the Radicals mean equal rights, what do they put the negro above the white man for?

If the Radicals want impartial suffrage, why does their platform say one suffrage North and another South?

If the Radicals want peace, what are they running their candidate on his military merits for?

Is it impartial suffrage to enfranchise the black and disfranchise the white man?

The Charleston *Mercury* contains the following, which may not be wholly new, but which is very good: "We beg to explain to a city subscriber who complains that his paper is frequently too damp for use, that it is because there is so much due on it."

LETTER FROM HON. WM. A GRAHAM.

The following excellent letter from the Hon. Wm. Graham was elicited by a recent invitation to address the people of Davie:

A. A. HARPER, Esq.—Dear Sir: I regret that it is not in my power to accept the invitation of the citizens of Mocksville transmitted in your favor of the 15th inst., to participate with them in a public meeting and Barbecue in that town, on the 22nd inst., for the purpose of ratifying the nominations of Seymour and Blair as candidates for the offices of the President and Vice President of the United States.

But I beg you to assure them of my hearty co-operation in the support of those nominations and in earnest wishes for the success of the ticket. The principles it represents are dear to the friends of Constitutional liberty, and were never subjects of dispute in our contests in former years, when Whig and Democrat were the proud names, under which our people divided. It was reserved for the party which now through Congress (and Congress alone) sways the destiny of this country, to assail the Constitution in its plainest and most essential provisions and to call for a union of all patriots to correct their misrule.

And the candidates are worthy of the cause. Of all the eminent men, whose claims were canvassed in reference to the candidacy, I regard Mr. Seymour, from his public discussions of the topics of the times, as best qualified for the Presidential office, not merely in ability, but in temper, character, self-reliance and the elevated motives which characterize his actions. Mr. Blair is less known to our section of country—his public course, both civil and military, being passed, in a greater part, during the war, when communication with the opposite section was cut off. But it is sufficient to know, that although he was a gallant and determined enemy while the war raged, he is a generous and magnanimous friend in peace, and his nomination by the Convention called for the selection of candidates upon the principles proclaimed by it, is all sufficient to secure our suffrage.

I am, very respectfully,
Yours ob't. serv't.,
W. A. GRAHAM.

GREAT MEETING IN PERSON.

August 29, 1868.

Messrs. Editors:—It becomes my pleasure, this morning, to forward to you the gratifying intelligence, that another county has taken its position in the grand Conservative line that is marching on to victory. From her rich fields of tobacco, the people of old Person have responded the rallying cry of Seymour and Blair, and joined their voices in the chorus which now heralds, throughout our land, the glorious advent of Peace.

On Thursday, the 27th ult., there assembled at Roxboro, to ratify the nominations of our National candidates, the largest and most respectable gathering I have witnessed in years. It was estimated that the people present numbered between fifteen hundred and twenty five hundred—and the unanimity and enthusiasm with which they tendered their co-operation in our common cause, the determination they expressed to vindicate the character of their county for Conservatism, gave sure indication of success *there* in November for Seymour and Blair.

Besides the speeches of Gov. Graham and H. K. Nash, Esq., who were present by invitation, to address the people, one of the chief features of the occasion was a grand dinner, given by the citizens of the town and county and prepared by the ladies, superintended by Mr. Smith, ex Sheriff of the county, and his lady, to whom all the credit is due for their successful endeavors to make all a success and in which they perfectly succeeded.

The dinner was of excellent and varied material and of quantity sufficient to satisfy a tremendous crowd of the healthiest looking people to be found, while the manner in which it was prepared, and the style in which it was served, would have done credit to the Prince of culinary accomplishments, not excepting Blair (of the Yarborough House) himself.

It was a day to be remembered by the good people of Person, when, all parties and differences forgotten, men met together to take counsel for the common good of all—to interchange mutual good wishes and hopeful anticipations of approaching prosperity.

It was understood, that of the whites in that county belonging to the Radical party, most were returning to the Democratic fold, and the hope is entertained that before the election not one will be left to repent the fate that forced him to be white.

Person is good for two or three hundred Conservative majority. Outside of the office holders and aspirants for office, there will be found no white Radicals, or as they are properly called "scallawags," in Person. The Judges, Members of Assembly, Magistrates, and those who desire these offices, will stand alone with the negroes—or a majority of them—with no white associations in good old Person. Yours,

ORANGE.

THE GENERALS CLASSIFIED.

Radical papers are accustomed to say that all the really able Generals are for Grant. A few of the prominent ones are thus classified:

WHAT IS A SCALLAWAG?—A correspondent from Dinwiddie, under date of August 1st, enquires the origin and definition of the famous term—scallawag. It is an Americanism. Webster defines the term—"A low, worthless fellow; a scapegrace." And we venture to assert that no word in our language can so thoroughly delineate the native Southron who, when his race is threatened with serfdom to its former slaves, basely herds with the enemy—in secret leagues gives "aid and comfort"—and for the sake of paltry gain barters honor and lives upon the sickening odors of negro love.—*Pet. Express.*

"POOR SNOW" FOR GRANT.—We read in the New York *Tribune:* "The spirit of the rebellion has broken out at Greenport, L. I., distant about ninety-two miles from this city. On Friday last, at midnight, a party of disguised men, five or six in number, took Lieutenant Colonel Andrew Harrison from his house and covered him with tar and feathers, threatening his life at the same time. This act was committed by Democrats, because Col. Harrison was a supporter of Gen. Grant, his old commander."

THE MASS MEETING AT MOORE'S IN JOHNSTON.

Messrs. Editors:—Thursday last was surely a gala day for old Johnston. Early in the morning, we reached the Moore place, where the people had been invited to attend a Seymour and Blair Dinner, and to hear distinguished speakers discuss the great issues of the day.

On our arrival, M. A. Bledsoe, Esq., of our City, was speaking, and many a hard blow did he give Radicalism. Mr. B's speech was replete with sound argument and convincing truth.

Next came J. H. Abell, Esq., of our County, whose speech really excelled any of his former able efforts that we have heard.

A recess of an hour was taken, and all were invited to dinner, where there was enough, and to spare. The tables groaned with the weight of the feast.

After dinner the people reassembled at the stand, and were first addressed by L. R. Waddell, Esq., with great force and eloquence. Then came the great speech from the Hon. S. H. Rogers. It would be an injustice to Mr. R. to attempt a report of his great speech. Suffice it to say that every one appeared to be convinced that it was high time to leave the rotten craft of Radicalism, and, in the vast assemblage of at least 1500 voters, we can safely say not two could be found to espouse the cause of Grant and Colfax.

The speakers we have named had been specially invited by the Committee of Arrangements, to address the meeting. And at the conclusion of Mr. R's. speech, loud calls was made for Col. Geo. H. Faribault, of Auburn, who responded in a most thrilling effort. While advising the colored people as to their best interest, many of them came forward and asked for Seymour and Blair badges, declaring that they were done with the Radicals forever.

Next came loud calls for Willis H. Sanders, who made a few pointed and timely remarks.

Calls were then made for W. H. Avers, who, from the lateness of the hour, declined to speak at length, but advised all to treasure up what they had heard, and beg ged all to work for the cause.

In the intervals between the speaking, the Auburn band discoursed most excellent music. We had almost forgotten to say that Wake and Johnston's fair daughters (God bless them!) were out in large numbers to cheer us on with their smiles of approval, and appeared to be perfectly delighted. The Auburn Club, with its flags and banners, made a dashing appearance, and as it left in regular procession, its band playing thrilling National airs, one could but feel that it was sad to part with such friends.

Seymour and Blair Clubs and dinners are the order of the day in old Johnston. On Saturday, the 29th., another grand rally came off in Johnston District, to be followed by similar meetings all over the county. The fires are burning bravely. Old men say the like has not been seen or felt since 1840, and, even then, not such a general rush. Feeling our inability to do half justice, in a report of the meeting, we drop our pen and leave our friends to draw but a faint idea of the reality. X. Y. Z.

THE LATE HON. D. L. SWAIN.

CHAPEL HILL, N. C., Aug. 31, 1868.

At a meeting of the Faculty of the University of North Carolina, there were present Prof. M. Fetter, Hon. W. H. Battle, Rev. Dr. Hubbard, Rev. Dr. Phillips and Prof. H. H. Smith. Prof. Fetter was chosen Chairman, and Prof. Phillips, Secretary.

The object of this meeting was to consider the following paper, which was unanimously adopted:

The Faculty of the University of North Carolina, desiring to record their sense of the great worth of their deceased President and friend, the Hon. David Lowry Swain, LL.D., resolve,

1. That in our long and intimate association with him as the President of the University—some, twelve; some, twenty; some, thirty years—we have had perpetual occasion to admire his earnest devotion to its interests, the wise forecaste of his plans for its advancement, the mild firmness of his discipline, and his singular power of winning the confidence and affection of his pupils.

2. That while we have a deep sense of the great loss which the State and the University have suffered, we feel that our own loss is even greater, and shall not cease to mourn for him as for a friend whom we have most sincerely loved, and whose love for us we have always esteemed an honor and a special privilege.

3. That we would express to the immediate family of our deceased friend our profound sympathy in their deep affliction; and still we rejoice with them in the remembrance that his life, and especially his latter days, were abundantly cheered with the light of Christian hope.

CHARLES PHILLIPS, Sec'y.

[We are in receipt of a graphic and touching account of the closing scenes of this great and good man's life, and of his funeral, which shall appear to-morrow.—*Sentinel.*]

Messrs. Pell and Gales:—We call upon the Democratic Conservative District Convention, for the Fourth Congressional District, which will assemble at Franklinton, on Thursday, the 10th inst., to nominate JOHN E. THOMAS, of Franklin county, as a suitable candidate for the times, to represent the District in Congress. He is possessed of a mind strong by nature, is a self made man, has much experience in political and legislative matters, understands the wishes and interests of the people, and while he has ever been a Union man, has also been faithful to his section. There will be no difficulty in his taking his seat in Congress, if elected. No man can be found who will be truer to the interest of the people. With an open field and a fair fight, scarcely any one will make a better run. He is emphatically a people's man, in the true sense of the term. He has always been opposed to Radicalism, North and South. The times have proved his course the true one.

Trusting the Convention may select him as the People's candidate,

Your friends in the cause,
MANY VOTERS.

FRANKLIN Co., Sept. 1st., 1868.

WHO ARE THE OLD UNION MEN FOR?—Such old Union men as Jonathan Worth, Wm. A. Graham, Bedford Brown, George Davis, W. N. H. Smith, Z. B. Vance, John Phifer, of Lincoln, D. A. Covington and S. H. Walkup, of Union, Jos. H. Wilson of Mecklenburg, Luke Blackmer and Lewis Hanes of Rowan, E. B. Drake and J. McLaughlin of Iredell, C. Meichor of Cabarrus, and D. G. Fowle of Wake, are for the election of Seymour and Blair.

All these gentlemen are for peace now, as they were in 1860.—*Char. Democrat.*

An Irishman catching sight of an advertising card got up to resemble a gold piece on one side, with a sudden rush seized the prize, turned it over, and, with the most comical look, said to the clerk: "Be gorry, when I saw that I thought Seymour was elected sure."

DIED:

At Edgewater, Duchess Co., N. Y., on Thursday, the 27th ult., in the nineteenth year of her age, SUSAN MARY, youngest daughter of Robert Smithers, Esq., and grand-daughter of the late Judge Gaston, of North Carolina.

Sale of Valuable Lands.

IN PURSUANCE of a decree of the Superior Court of Randolph County, I shall proceed to sell, on the premises, to the highest bidder, on Wednesday, 16th of September, inst., that valuable Tract of Land, the homestead of the late Alfred G. Foster, situated in the North-west corner of Randolph County, on the head waters of Uwharie and containing nine hundred acres.—About one-half of the tract is cleared and in a high state of cultivation, the balance heavily timbered with oak, hickory, poplar, ash, &c. The improvements are of the best and most substantial character, consisting of a large and commodious Dwelling, with all necessary out-buildings, stables, barns, &c. The plantation is abundantly watered by numerous never-failing springs, is tobacco, and is one of the healthiest localities in the State.

A credit of twelve months will be given, bond and approved security required, and title reserved till the further order of the Court.

JULIUS A. GRAY,
Adm'r of Alfred G. Foster, dec'd.

☞ I will at the same time and place offer for rent, privately or publicly, for the next year, several valuable tracts of land belonging to the heirs of Robert H. Gray, dec'd, and also my own plantation; all adjoining the above.

TO OUR FRIENDS!

ROOMS OF CENTRAL EXECUTIVE, }
COMMITTEE, Aug. 31, 1868. }

The Chairman of the Executive Committee of the Democratic and Conservative Party, in each County in the State, is requested to forward, without delay, to the Secretary of the Central Executive Committee, (Jno. C. Syme, Esq., Raleigh,) a statement of the number of Seymour and Blair Clubs in his County, together with the *number of members* in each Club.

He is also requested to see that a Club is established in each election precinct, and forward reports every two weeks until the election.

NEW ADVERTISEMENTS.—The residence of the Hon. Sion H. Rogers, East of the Executive Mansion, is for rent for the balance of the year: Apply to W. H. Jones & Co.

The next session of the State Institution for the Deaf, Dumb and the Blind will commence on Tuesday, 6th prox. We learn that the capacity of the Institution will only justify the admission of 110 pupils.—Early application should be made to the Principal.

We direct attention to the announcement of Geo. W. Charlotte, Esq., Commission Merchant, Beaufort. He is in a situation to supply Dealers with all kinds of Fish, promptly, and put up in the best style of preservation.

Sale of valuable Lands in Randolph, on Wednesday, Sept. 16th: Julius A. Gray, Adm'r. of Alfred G. Foster, deceased.

Crockery, Glass-Ware, Lamps, Oil, &c.: J. Brown, with Hart & Lewis.

Prime White Corn—1,000 bushels: Douglas Bell.

Read the announcement of Messrs. Nichols & Gorman, Book and Job Printers. The works which these enterprising gentlemen have in press will be of incalculable value to the profession and the public.

Twenty dollars reward for a stolen mule: J. Fisher, Raleigh.

HANDSOME Seymour and Blair Badges, of various patterns and styles, may be obtained at the store of D. C. Murray, Esq., Fayetteville Street.

WE SURRENDER the most of our available space, to-day, to the favors of our friends. We yet have a number of communications—some of them of much value—on hand, which will appear as we may be able to find room for them.

MORE PROSCRIPTION.—We learn that Holden's President of the North Carolina Railroad has removed Mr. W. T. Womble, for many years the efficient and capable Ticket Agent in this City, to make room for Calvin J. Rogers, one of the Radical County Commissioners. Mr. Womble's only offence is that he is a Conservative. These Radicals talk about intimidation of voters and discharging black Leaguers, at the same time that *they* discharge white men, with families dependent on them for support, for no other reason than that they will not bow the knee to their political Baal! This conduct of Smith's is in keeping with his entire partizan administration of the affairs of the Road. Fairness, competency, integrity, the interests of the Road, and everything else, are sacrificed for the sake of *party*.

FEMALE COLLEGES.—We learn that there are about 100 students at Kittrell's Springs Female College, and the number is increasing. The Louisburg Female College, as usual, opens well. St. Mary's, in this city, has a goodly number of students.

TRINITY COLLEGE.—We learn that the Fall session of this Institution opens well. About 100 students have already entered. Two hundred are expected.

WAKE FOREST COLLEGE.—This Institution has a promising beginning, we learn, for the present session. We have not heard the numbers of students.

THANKS to our excellent and energetic friend, Jas. L. Nicholson, of Iredell, for a Club of thirteen subscribers to the *Sentinel*.

SEYMOUR AND BLAIR CRAVAT.—Messrs. W. H. & R. S. Tucker & Co. send us a Seymour and Blair Cravat, having a likeness of each of the National candidates on either tip. They have more of the same sort, and they are tasteful and handsome.

WE ARE gratified to learn that Thos. D. Snead, Esq., of Johnston, one of the most influential citizens of the county, who has heretofore co-operated with the Radicals, is out for Seymour and Blair. Mr. Snead will do able and efficient service in the cause of Peace and Union.

"BERTIE."—Our correspondent is a representative man, and resides in a portion of the State which has borne its full burden of taxation, and enjoyed few favors from the State. He has a right to be heard. If his figures are correct, his exposition of the onerous debt of the State is crushing.—Those who are engaged in the waste and extravagance, and increasing the public liabilities, are only "treasuring up to themselves wrath against the day of wrath."

STATE NEWS.

"Many citizens" of Carteret, through the Newbern *Journal of Commerce*, recommend Henry R. Bryan, Esq., of Craven, as the Democratic and Conservative candidate for Congress, in that District. Mr. Bryan would make an admirable canvass.

Peyton A. Dunn, Esq., of Forestville, in this county, has formed a copartnership with Mr. Bernard Field, of Petersburg, and Jno. S. Reese, of Baltimore, and will open a General Commission House in the latter City. We wish our friend, Mr. Dunn, and the Firm, great success.

We have heretofore given some specimen official doings of Holden's Windmill Squires. Here is another: One W. P. Whitley, an overseer of the road in Wayne, made application to "Squire" Sasser for a warrant against Willis Grant, col'd, for refusing to work the road. After about an hour's hard labor the negro Squire produced the following:

IsaaC saSSer j P AuGest

There was a glorious rally of the Democratic and Conservative people of Chowan, at Edenton, last week. A Seymour and Blair pole was raised, and the National Democratic banner was unfurled to the breeze amid the deafening shouts of a large and enthusiastic assemblage and the soul-stirring strains of music. The people were addressed by Messrs. Thos. Skinner and Thos. H. Gilliam and Hon. W. N. H. Smith, —all of whom made capital speeches. A private letter speaks of Mr. Smith's effort as the ablest and most powerful effort of his life. At night, the proceedings were continued, and thrilling and eloquent speeches were made by Messrs. Bagley, A. M. Moore and T. C. Badham. A number of colored men joined the Club. A correspondent of the Norfolk *Journal*, speaking of this occasion, says that "the whole Eastern part of the State is wild with enthusiasm."

Why is it (asks the Wilmington *Star*) that, although the order of President Johnson for the release of Tolar and his companions was issued on Thursday, the 20th of August, they are still in confinement? The commandant at Fort Macon says that he must await official orders from Gen. Meade. Gen. M. certainly must have obtained the order of the President long ago, and we know of nothing (except severely culpable negligence, or dilatoriness, which could have delayed their release so long.

The subjoined subscription list for the relief of these unfortunate victims of military tyranny is in circulation, and we hope that it will be generally responded to throughout the State. They come out of prison entirely destitute, and their case is one which appeals to the sympathies of all humane men. We will take pleasure in forwarding any amounts that may be contributed:

"The long confinement (over 12 months) of these unfortunate men, and the loss of time and many expenses incident thereto, find them (upon their return home) *without money* with which to support their needy families.

We call upon all good citizens to contribute *a mite* to aid these unfortunate men, who have suffered so long and unjustly.—We hope the surviving members of Company H. First N. C. (Bethel) Regiment, and of the 51st. N. C. T., in the counties of Duplin, Sampson, New Hanover, Robeson, Columbus, and particularly the members of Company I. of said Regiment from Cumberland, have not forgotten their worthy Sergeant, Thos. J. Powers, who suffered, as such, during the war, wounds, sickness and imprisonment.

To the members of the S. C. Regiment, of which W. J. Tolar was the model Captain, as also to the comrades of David Watkins, and to *good men everywhere*, we appeal."

On Saturday, the 23d., Virgil Ramseur, a freedman living in Lincolnton, in the exercise of Constitutional right, saw proper to join the Conservative Club, and the loyal league negroes at once proceeded, when night came, to stone his house, endanger the life of his children and insult his wife. This is what the colored Leaguers are counselled to do by their infamous white *masters*.

Gov. Vance and Col. A. C. Cowles, of Yadkin, addressed a large meeting of the Democratic and Conservative people of Iredell, at Statesville, on Wednesday last.

VERMONT.—This State voted on yesterday. The vote for the past four years has been as follows:

Years.	*Total vote.*	*Rep maj.*
1864	55,740	20,098
1865	36 456	18 729
1866	45 412	22,825
1867	43,226	20,184

STATE DEBT.

MESSRS. EDITORS:—I hear that the unclean birds, which lately roosted in the Capitol, at Raleigh, amid other filth produced by them, created an additional debt for our State of about ten millions of dollars.

Before they met, the debt of North Carolina, not counting our war debt, was about eighteen millions. Add the present ten, and we have twenty-eight millions. The share of North Carolina of the national debt is about seventy millions. This supposes the national debt to be two and a half billions, whereas, when finally adjusted, it will be double that sum. Add, and you have *ninety-eight millions*. The counties owe at least two millions, besides their war obligations. Here we have a smooth HUNDRED MILLIONS honestly due by North Carolina.

Now, people of the State, do not deceive yourselves by false reasoning about the above debt. You owe your part of the national debt and you are just beginning to be forced into the payment of a part of the interest on it. One hundred millions is the least dollar, and no squirming or twisting can evade the fact. Even John Pool can't do it. So much for our debt.

Now for our assets: The real estate of North Carolina, before the war, was squeezed up to about one hundred millions. I submit it to every honest man, whether it is now equal to forty millions. Could it be sold, even on a credit, for more? But say fifty millions for our land. The personal estate cannot possibly be over forty millions, counting horses, mules, sheep, chickens, ducks, turkeys, &c. No one will dispute this. Add, and we have ninety millions.

With the foregoing *data*, even the women, children and negroes can figure the result: *A deficiency of ten millions.* Let the auctioneer begin at the lower end of Currituck, and sell everything to the furthest edge of Cherokee, on the most liberal credit, and, when he gets through, the account of sales will lack ten millions at least of paying *what we owe.* Yes, what every man owes! *What his whole estate is mortgaged to pay!*

File a petition in the Bankrupt Court, for the State, and let her make that unheard of thing, now a days—an honest surrender, and let the Bankrupt officers, instead of gobbling up the whole assets, as usual, work for nothing, and the poor old State, or rather every man in the State, would lack ten cents in the dollar *of being worth any thing!*

Again: Take any man in North Carolina you please, and say he owes not a cent of private debt, and has an estate of one thousand dollars. He is broke to the extent of at least one hundred dollars, and he may as well go into Bankruptcy at once. The result, long wanted and aimed at, is reached. Spite, malignity and meanness, wielded by Holden and his Albino set, have produced the Galloway result, to wit: That the richest man in North Carolina is he who has nothing but himself.

As Judge Pearson seems to be the newspaper head centre of the menagerie, I would like to see him talk around this ten million outlay. Do not say, ladies-women, that the work of the people will generate the wealth to pay the debt. Delude not yourself in that way, for the interest on the debt of one hundred millions, with the cost of keeping it floated, will be no less than ten millions a year, and the working people of the State cannot support themselves and pay that. Each year that passes will make the debt larger.

The best possible thing for men, who are fancying that they own something, is to sell out, touch bottom, and then be perfectly certain never to own any thing else. No wonder that certain men sold themselves to the negroes for office. The income of an office is good to get a breakfast with. The land-holder is mistaken in supposing himself an honest, independent fellow. He is a swindler—*every mouthful that he eats is the produce of his farm and labor.*

Ten millions—one fourth of our real estate—gone at a dash. One fourth of every man's land in the State voted away! Thus by a body of men who *knew* that the intelligent men of the State and the property holders of the State were not allowed to vote in the election! And here I perform a sad duty: These ten millions of State bonds, when issued, will carry on their face the great seal of the State, which, in the strong language of Mr. Moore, of Raleigh, covers and contains the private seal of every man in the State. It is, therefore, an instance of rank forgery, for the present bogus concern to make the bonds appear to be what they are known not to be; for not less than fifteen thousand people, the most intelligent, the wealthiest and best men of the State, were not allowed to vote in the election.

And, now, finally, Messrs. Editors, for one, I will not sit still and let men buy these new bonds, which are an outrage and a swindle upon the public. They are not binding on our people. The State is not able to pay them. I proclaim it to the capitalists, everywhere, that they will lose every dollar that they put into these bogus bonds. To the holders of the old bonds, I will say that this creation of new bogus bonds is destructive to you. I own not a dollar of bonds of any kind. But if these ten millions go in and get mixed with *your* bonds, I tell you now *that your bonds are not worth a cent.* To the United States government, I will say, that the bogus concern at Raleigh have struck a heavy blow at the debt which North Carolina, as a partner with the other States, owes. To the other States, I say, your partner, North Carolina, has disabled herself from performing her contract. And to the whole country I regret to say, that, if this ten million debt is to be added to what our poor people already owe, and the interest of which it nearly starves them to pay, then the great seal of North Carolina, as is already the case with everything else sacred in the State, will be trampled and trod upon by unclean birds and beasts. TO LAND OWNERS.

HAVING BEEN APPOINTED, BY THE AMERICAN AGRICULTURAL AND MINERAL LAND COMPANY, Agent for all that part of North Carolina lying east of and including Catawba County, I am authorized to say, to any person or persons having 2,000 acres in one body, partially cleared and near a Rail Road, that if they will agree to subdivide their lands at the expense of the Company the Company will purchase alternate lots at their assessed value for taxation or as ascertained by two disinterested parties, paying for the same in the Company's stock—the Company obligating itself to place a white settler on every 200 acres, so acquired, within three years, or, failing to do so, such land unsettled to revert to the original owner; the owner to retain possession until the land is settled.

The object of this system is to bring into the State an industrious and thrifty population and to enhance the value of our lands. It has been adopted in other states and is said to be working finely.

This Company was chartered by our Legislature of 1866. Land owners will please address me for particulars at Reidsville, N. C.

UNIVERSAL
LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS.

LOSSES PAID IN THIRTY DAYS.

No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 60, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of *First Class*, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a *low rate of premium*, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and *promised dividend*, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate.	Ten Payments Rate.	AGE.	Ordinary Life Rate.	Ten Payments Rate.

Example.—A man aged 30 insures his life for $1,000, and pays 43.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215,50, his policy will be good for $1,215.50.

NON-FORFEITING CASH RATES
OF THE
ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid* in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur under or in consequence of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitations of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the office-holder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus* that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ———of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforce ment of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also, monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give council, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
